Operational &/or building work

assessable against a local government's planning scheme

PART E

Completion of **all question** on Part E is **mandatory** for all applications involving the assessment of operational work and/or building work (*including detailed engineering plans and other plans, detailed engineering plans for subdivisional works and conceptual design plans for engineering & building work when the application does not involve assessment of a material change of use of premises at the same time*) assessable against a local government's planning scheme.

Nature of the application
 A development permit authorises development to occur, while a preliminary approval is a step in the approval process and does not authorise development to occur.
 The types of work that are assessable against a planning scheme are determined by the scheme for a particular local government and will vary across the State.
 To determine the types of work that are assessable under a particular planning scheme, contact the relevant local government.
